PS-2	Analyzer	Identify the Brand	<p>The customer possesses a compelling project ready for promotion, but faces hurdles due to a lack of expertise in leveraging Facebook Ads effectively, limiting their ability to reach the product's target audience and maximize its visibility and impact in the market.</p>	<p>The customer needs to utilize Facebook Ads for their project because it offers a powerful platform for reaching a wide audience; however, the lack of expertise in leveraging this advertising tool hinders their capacity to effectively target, reach, and engage the intended audience, thereby limiting the product's potential success and visibility in the market.</p>	<p>The customer might feel a sense of frustration or a lack of confidence in their ability to effectively promote their project using Facebook Ads. The statement highlights a situation where despite having a promising product, the customer's lack of expertise in utilizing Facebook Ads could create a feeling of limitation or a barrier in achieving their marketing goals. This might lead to a sense of missed opportunities or potential success, resulting in a need to seek additional support or expertise in advertising strategies.</p>
